## Appendix A: Manner of Acting

**Procedure in Small Boards.** In a board meeting where there are not more than about a dozen members present, some of the formality that is necessary in a large assembly would hinder business. The rules governing such meetings are different from the rules that are held in other assemblies in the following respects:

- Members may raise a hand instead of standing when seeking to obtain the floor, and may remain seated while making motions or speaking.
- Motions need not be seconded.
- There is no limit to the number of times a member can speak to a debatable question.\* Appeals, however, are debatable under the regular rules – that is, each member (except the chair) can speak only once in debate on them, while the chair may speak twice.
- Informal discussion of a subject is permitted while no motion is pending. ● When a proposal is perfectly clear to all present, a vote can be taken without a motion having been introduced. Unless agreed to by unanimous consent, however, all proposed actions must be approved by a vote under the same rules as in larger meetings, except that a vote can be taken initially by a show of hands, which is often a better method in small meetings.
- The Chair does not need to rise while putting questions to a vote.
- If the Chair is a member, the Chair may, without leaving the seat, speak in informal discussions and in debate, and vote on all questions.\*\*

\*However, motions to close or limit debate, including motions to limit the number of times a member can speak to a question, are in order even in meetings of a small board (but not in meetings of a committee), although occasions, where they are necessary or appropriate, may be rarer than in larger assemblies.

\*\*The Chair may initiate an informal discussion, allowing the Chair to submit proposals without formally making a motion (although the Chair retains the right to make a motion if necessary). \*\*

## **Appendix E: MUWAA Nominations and Elections Policies and Procedures**

### **1. Purpose and Use**

These Policies and Procedures guide the orderly, fair, and consistent conduct of the MUWAA Nominations and Elections Committee of the Mississippi University for Women Alumni Association. They are available to all members of the Association and comply with the MUWAA Bylaws, which take precedence.

### **2. Functions of the Nomination and Elections Committee**

The Nominations and Elections Committee is responsible for:

- a. Identifying a slate of one or more qualified candidates for each open MUWAA office that is to be submitted to the voting members of the Association in an annual election (Open positions include President-Elect and five (5) Directors)
- b. Compiling a slate of no more than ten (10) qualified candidates for next year's Nominations and Elections Committee, which will be submitted to the MUWAA President for election by the Board of Directors.

The standards, composition, and chair of the Nominations and Elections Committee are detailed in the MUWAA Bylaws. The Nominations Committee shall manage the nomination processes fairly, consistently, and unbiasedly.

### **3. Recommended Timeline for the Nominations and Elections Committee Process**

The Nominations & Elections timeline for generating a slate of candidates for President-Elect and Directors before the end of the MUWAA fiscal year is as follows:

#### **Last two weeks in October (Weeks 1 & 2)**

Advertise save-the-date/upcoming nomination season through Alumni Office email blasts and MUWAA social channels to MUWAA General Membership, Board of Directors, and Committee Chairs & Members.

#### **First Monday in November (Weeks 3 & 4)**

Call for recommendations from alumni to serve as directors and president-elect. (See Dropbox for a sample communication) As the Director of Alumni Relations receives recommendations, a "vetting" process immediately begins:

- The MUW Alumni Office confirms that the alumni submitting names are active members of the MUWAA, and that the alumni recommended are eligible to serve according to the eligibility criteria outlined in the MUWAA Bylaws.
- The Nominations and Elections Committee confirms those willing to accept nomination if

selected by the Nominations and Elections Committee and to serve if elected. This is done by email/letter written by the Nominations and Elections Chair and sent by the Chair with a cc to the Director of Alumni Relations. (See Dropbox for a sample communication)

- All candidates determined to be eligible for consideration will be contacted and asked to complete a Candidate Information Form. (See Dropbox for a sample communication)

### **Third week in November (Weeks 5 & 6)**

- Nominations Submission Process Closes
- The Nominations and Elections Committee reviews all nominations, vets the candidates further as necessary, and deliberates. After committee discussions, deliberations, and a decision based on a majority vote, the slate of nominated candidates for the offices of President-Elect and Board of Directors will be conveyed in writing to the MUWAA President.
- Timely and clear communication with all members participating in the nominations process is essential. As recommendations are received and vetted by the Alumni Office, those not eligible for nomination will be notified via email of their ineligibility and the reason, encouraging them to become fully active so they may be nominated for future service. (See Dropbox for a sample communication)
- Once the committee has chosen the slate, all candidates should be notified of the results as soon as possible. A phone call by the Nominations and Elections Chair is recommended for each candidate, whether chosen or not. Special encouragement should be given to those candidates who have yet to be selected for a future nomination. (See Dropbox for a sample communication)

### **First Week in December (Weeks 7 & 8)**

The Nominations and Elections Committee report is prepared by the Nominations and Elections Chair, submitted to the MUWAA President, and copied to the elected members of the Nominations and Elections Committee and the MUW Director of Alumni Relations. (See Dropbox for a sample communication)

After the report is delivered, the Alumni Office and MUWAA Social Channels prepare active membership save-the-dates for the election window.

Note: Alumni Office Holiday closure dates should be considered.

### **Second Week in January (Weeks 9 and 10)**

The election window opens when the ballot is transmitted to eligible voters. Two weeks after balloting opens, voting/tabulation closes at midnight and is conducted by the Director of Alumni Relations and staff.

### **Fourth Week in January (Week 11)**

- The Nominations and Elections Committee reviews the election results to determine if any

write-in candidate received a majority of the votes cast and needs to be determined eligible to serve. The Committee will send the name of any write-in candidate who received a majority of the votes cast to the Director of Alumni Relations, who will confirm whether the write-in candidate is eligible to serve. If an eligible candidate does not receive a majority of the votes cast, the eligible candidate with the next highest number of votes cast in the election will be selected.

- The Nominations and Elections Committee Report is then prepared by the Nominations and Elections Chair, submitted to the MUWAA President, and copied to the Nominations and Elections Committee members and the MUW Director of Alumni Relations.
- Notify Nominees and the MUWAA Board of the results. (See Dropbox for a sample communication)

#### **First or Second Week in February (Week 12 & 13)**

- Inform Members of Election Results via Alumni Office email & MUWAA social channels
- Invite newly elected board members to the next Homecoming to be sworn-in during the Annual Meeting (See Dropbox for sample communication)
- The University determines Annual Homecoming dates and may fluctuate

#### **4. Recommended Timeline for Selection of Nominations and Elections Committee Members**

The timeline for generating a slate of candidates for the Nominations and Elections Committee Members is approximately as follows.

##### **Six Weeks in Advance of the First Meeting of the New MUWAA Board:**

A submission survey was sent out to all Incoming Board Members to nominate prospective candidates for the Incoming Nominations and Elections Committee. The submission survey is open for one calendar week.

##### **Five Weeks in Advance of the First Meeting of the New MUWAA Board:**

Prospective Nominations and Elections Committee Members are identified and determined eligible for consideration for MUWAA committee service. Candidates are contacted and requested to complete a “Candidate Information Form” and return it to the Office of Development and Alumni within one calendar week.

##### **Three to Four Weeks Before the First Meeting of the New MUWAA Board:**

If more than ten (10) eligible potential candidates are submitted for nomination, the Nominations and Elections Committee will meet to determine the ten (10) who best fit the service criteria outlined by the MUWAA Bylaw. This would ensure equitable representation of our diverse alumni base.

### **Two Weeks in Advance of the First Meeting of the New MUWAA Board:**

The Nominations and Elections Committee receives all Candidate Information Forms and headshots and compiles a bio of no more than two paragraphs for each candidate. The bio should include, at a minimum, the MUW Class Year, City/State of Residence, Major areas of study while at MUW, current professional role(s), and a summary of previous MUWAA service (if applicable). The final Prospective Candidate Packet should be submitted to the Incoming MUWAA President for review and approval no later than ten days prior to the planned distribution.

### **One Week in Advance of the First Meeting of the New MUWAA Board:**

The Incoming MUWAA President will distribute the Prospective Candidate Information Packet, including a headshot and short bio of each candidate, to the Incoming MUWAA Board no later than seven days before the scheduled Board meeting.

### **At the First Meeting of the New MUWAA Board:**

The MUWAA Board of Directors holds a formal vote to elect the four members of the Nominations and Elections Committee. The individual receiving the next highest number of votes will be the named alternate for committee service.

## **5. Procedure for Filling Board Vacancies**

The Nominations and Elections Committee should identify an alternate nominee or plus one (1) in addition to the slate of one or more qualified candidates for President-Elect and five (5) Directors during the nominations cycle. The alternate nominee should be identified from within the most current pool of eligible nominees, as vetted through the Office of Alumni Relations and deliberated upon by the Nominations and Elections Committee in the most recent nominations cycle. This alternate nominee shall possess the next highest number of votes, as determined by the Nominations and Elections Committee members during the processes outlined in Section 3 of this document. The alternate nominee shall be designated and called upon if/when a vacancy arises during the board year due to a vacated board director seat, either through resignation or through the election process (i.e., President-Elect), to fulfill the remaining term of the vacated position.

In the event an inadequate/insufficient number of eligible candidates is presented to the Nominations and Elections Committee for Board of Directors positions, the Nominations and Elections Committee may confer with a designated group of advisers to include the MUWAA President, MUWAA President-Elect, and Director of Alumni Relations to determine eligible candidates for nomination./These candidate(s) shall be determined using a pool of eligible board committee members and/or association members. After approval from the Nominations and Elections Committee, the candidate will be presented to the Board of Directors for approval.

**6. Privacy in Confirmation of Candidates and Announcements of Results**

All Nominations and Elections Committee meetings shall be held in Executive Session, and all committee members shall maintain the strictest confidentiality. Committee deliberations and discussions are not to be shared outside the Committee and the Director of Alumni Relations. Candidate names shall be released once the final slates are officially distributed for voting purposes.
